INTRODUCTION Pulcon introduces Kitchenware-Cookware, House Wares, Stainless Steel Utensils, Tableware, Flask, Pressure Cookers (Aluminium and Stainless Steel), products with premium quality, which amounts to more than 3500 types, in different sizes, shapes, colours made from raw materials that meets the standards of food grade test as per international laws, whereby we wish to provide a good life for our esteemed customers at an affordable price. Our vast experience has helped us to develop techniques, capabilities with innovative aesthetic designs and craftsmanship that our services and products are distinguished to benefit the best for our customers. This has been achieved through strong partnership with most modern manufacturers from the industry from different parts of the world. Pulcon is a part of Pulimootil family, which began its business operations with a modest business set up in Aurangabad, Maharashtra. The company has initiated a new trading process in the most Modern format, understanding consumer needs and developing products meeting their expectations.

OUR VISION

Our aim is to be a one point solution with highest standards of commitments that can deliver quality products matching customers expectations through which it can reach every home for a better living.

OUR MISSION

To provide excellent quality of products with innovations and highest standards at acceptable and affordable prices ensuring customers satisfaction.
